Chapter 1 by Elena Lace

"You think you meet a girl, and ya know, its something nice. But no, instead you end up selling your soul, finding out her names Abbadon (Not abby) and end up again in hell. No i'm not exaggerating were talking, dark abyss, lucifer the whole package. I fought my way out, and believe me it was a hell of a ride."

"Cut, cut, cut, cut, that was shit Mark, take it from the top again, this is opening we got to get it right" The directing had been screaming this for hours but I was never good enough.

Lucy my assistant handed me a water and smiled "If it were up to me I would send him to hell, and drag him down to lucifer myself" we had a laugh and got back to shooting.

Little did I know that's exactly what what she was going to do.
